

Visit to UNICER (Porto)

Unicer Bebidas de Portugal, SGPS, SA is a Portuguese company with the decision center in Portugal. Its activity is set up on the business of Beers and bottled Water. It is the largest Portuguese beverage company and is also present in the areas of soft drinks, ciders and wines, in the production and sale of malt, and in the Tourism business.

Unicer is a company with majority of Portuguese capital, owned in 56% by Viacer (BPI, Arsopi and Violas) and 44% by the Carlsberg Group.

Unicer is the largest Portuguese exporter of beer - an operation that has already reached more than 50 countries, mainly through Super Bock, which is the best-selling Portuguese beer in the world.

Super Bock Casa da Cerveja

Visit the Super Bock Beer House! We are a truly unique space located in the Unicer Production Center, in Leça do Balio; This visiting center, which runs from Wednesday to Sunday, has the particularity of being integrated in the brewery industrial complex, which gives privileged access to the interior of its factory, since Unicer proposes an innovative circuit that includes areas that are usually closed to the public. This way, it is possible to go through the brewing room and the filling lines, seeing them in full operation. Come learn how it all started and how to make a beer!
